With a view to further improving customer service, the National Transport Authority (NTA) and the Mauritius Post Limited (MPL) have the pleasure to inform vehicle owners that, as from Wednesday 20 July 2011, payment of road tax in respect of all motor vehicles and trailers may also be effected at any post office in Mauritius on production of all relevant documents.

Payment can be made either by cash or cheque drawn on the “National Transport Authority”. Where payment is made by cheque, the cheque should be either a personal cheque of the owner of the vehicle or an office cheque.

Owners of public service vehicles and goods vehicles should ensure that their public service vehicle licences or carrier’s licences cover the period for which the road tax shall be paid.

The service at all post offices will be available from 08h15 to 15h15 during weekdays and from 08h15 to 11h15 on Saturdays. Exceptionally, the post offices listed below will provide extended services up to 16h15 on weekdays and 12h00 on Saturdays during the last two working days of each month.
