

NATIONAL TRANSPORT AUTHORITY

COMMUNIQUE

Change in Particulars of Motor Vehicles and Trailers

In line with the Road Traffic (Registration of Motor Vehicles and Trailers) Regulation 1963, members of the public are hereby informed that for any change in relation to any motor vehicle or trailer affecting the accuracy of any particular (colour, engine capacity, seating capacity, load, etc) entered in the register of motor vehicles (registration book/horsepower), the registered owner of the vehicle or trailer **must inform the National Transport Authority** in order to amend the registration book of that vehicle.

For any alteration in the licence for the vehicle/trailer, the owner shall submit the licence to the Authority for any amendment.

The National Transport Authority solicits the understanding and usual co-operation of the public.
