

NATIONAL TRANSPORT AUTHORITY

COMMUNIQUE

PAYMENT OF MVL ONLINE

Since its coming into operation as from 22 November 2018, the MVL Online facility may be prompting a message directing an applicant to call at the NTA Office to complete renewal of MVL.

This may be resulting from a possible mismatch of the vehicle particulars against the NTA electronic system occurring from, inter alia, previous renewal of MVL at Post Offices or at a District Cash Office.

The NTA further informs the public that once the particulars of a vehicle have been updated at the NTA Office, the MVL Online platform will automatically become accessible for any subsequent renewal of the MVL. Hence, any public encountering a similar problem is encouraged to call at the NTA Office, Cassis and Sub Offices at Forest Side and Flacq to effect the necessary transaction.

The MVL Online system is for the time being available for private vehicles and for only insurance companies registered into the system. The NTA Website provides for additional information in this respect.

The NTA relies on the usual understanding and collaboration of the public.
