### PERSONALIZED REGISTRATION MARKS

The Public is informed that the present facility provided for the online reservation of Personalized Registration Marks is generating a huge crowd at the NTA Counters located at Autocheck Examination Centre, Plaine Lauzun.

To remedy this situation, the NTA has adopted some control measures. As a result, the number of transactions on a daily basis has been limited and the validity of reservation period has been extended from 5 to 10 working days.

However, it has been observed with concern that the Public, in general, is not respecting the set up control measures and outsiders are taking advantage of the situation by making illicit business in the compound of the centre.

The NTA is therefore temporarily stopping the online reservation facility of Personalized Registration Mark **as from Monday 17 June 2019 until further notice.**

Applicants who have already made an online reservation will still be able to complete their transactions at the Counters of the NTA at Autocheck Examination Centre.

The NTA will inform the public in due course on the possibility to reserve and process an online application through its website on **[nta.govmu.org](http://nta.govmu.org)**.

The NTA relies on the understanding and usual collaboration of the public.
