

NATIONAL TRANSPORT AUTHORITY (NTA)

PRESS COMMUNIQUE

Amendments to Engine Capacity

The public is hereby informed that the Special Desk, set up at the NTA, Cassis in March this year for appointments to amend Registration Books in respect to changes brought to Engine Capacities of vehicles, **will be closed as from 15 June 2016**. Any request for appointment should be done prior to that date.

2. It is to be noted that, to date, the number of appointments given totals **5865**, out of which **4629** have already been processed. Of the remaining **1236**, 1023 vehicles have not turned up for appointments, 128 vehicles have been referred to the Mechanical Engineering Section of the Ministry for further examination and 85 vehicles have postponed their appointments.

3. **All the processed cases have been referred to the Police for further enquiry.**

4. It is further brought to the attention of the public that the office of the NTA at Cassis will henceforth be closed during weekends and all appointments taken will be processed at both Forest Side and Plaine Lauzun Vehicle Examinations Centres during week days.

5. The NTA relies on the public for their collaboration and understanding.
